DR LELAND'S ANTI-RHEUMATIC BAND IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Meuralgia, AND A SUBB CURE FOR

All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Waist, without injury to the most delicate persons; no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in every instance a perfect ours, and restoring the parts afflicted to a healthy condition. This Band is also a montpowerful Arra Manducina agent, and will entirely relieve the system from the persodous effects of Mercury. Moderate cases are cared in a few days, and we are constantly receiving testimonials of its efficacy in agaravated cases of long standing.

ATTEND TO YOUR COLDS -A case of five years' anding cured by DR. KEYSER'S PECTORAL SYRUP.

Dr. Keysen:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrap. I bought, the first time, a fifty cent bottle, which relieved her very much I then called and got a deliar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward. Pirrasungu, Jan. 11, 1860.

Prixaunon, Nov. 18, 1858 Dr. Krymn —Aithough not an advocate of Patent Medicines, in general, it affords me piesaure indescribable to recommend your Pectoral Byrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hearseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

moving all that disagreeable sensation according vere cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Byrap it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I over found, purporting to cure the above, nor abould any family be without this remedy for diseases so prevalent.

Yours, most respectfully,
EDWARD J. JONES,
Oashier Citizens' Deposit Bank.

COL. PRATT AND DR KEYSER'S PECTORAL BYRUP,—Dn. Errusa—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. Rencabed the noise own of my comparation of the bottle, and I can and do wish that all who are afflicted with: I have uot uset more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicins." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratifude for inventing so excellent a remedy. You are at likerty to use my name in this regard, as you think proper. E. F. PRATT.

RHAD THE TRUTH.—DR. KEYSER: I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

A GREAT CURE BY DE, KEYSER'S PROTORA SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acout the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PEOTORAL COUGH BYBUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what It has done in my case.

JOHN C. LITTLE,

PATTOR Tr., April 14, 1837.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pecteral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pecteral saved his life.

"STOP THAT COUGHING."—'How can I do it?" "Go to Keysor's on Wood street and get a bottle of his Cough Peotoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one lears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully cencur in the adviser's admonition as above, for we have tried the "Peotoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our advent upon this mundance sphere. We coughed steadily and laboriously for one whole week, in hopes of thing it out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we coughed our way to Keyser's, 140 Wood fit—procured a fity cent bottle of the "Pectoral;" took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable am adversary as Keyser's famous "Cough Pectoral."—Drounsville Chipper, Dec. 14, 1659.

STOOD THE TEST OF YEARS, And grows more and more popular

And testimonials, new, and almost without number might be given from ladies and gentlemen in all grade, of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty. Battle Creek, Mich., Dec. 21st, 1858.

Battle Creek, Mich., Dec. 21st, 1859.

Prof. Wood: Thee wilt please accept a lise to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of Angust last. I have faithfully followed the directions, and the bald spot is now covered with hair thick and black, though abort, it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently. I feel anxious to perseverve in its us, and being destinute of means to purchase any more, I would ask thee if thee woulds not be willing to send me an order on thine agents for a bottle, and reseive to thyself the scripture declaration—"the reward is to those that are kind to the widow and the fatherless."

Thy friend, SUdANNAH KURBY.

Ligonier, Noble County, Indians, Feb. 5th, 1859, Prof. O. J. Woon: Dear Sir;—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was aimer't entirely bereft of its covering, and much of the remaining portion upon the

cause unknown to me, commenced lating off very rapidity, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and bace part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more capsal acquaintances were not so much at a loss to discover the sause of the change in my appearance, as my more intimate acquaintances were to recognise me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair would again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy. As a mark of my gratitude for your labor and skill in the production of so wonderful an article. I have recom-mended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully, yours,

BLOOD RENOVATOR

Is precisely what its name indicates, for, while pleasant to the taste, it is revivifying, exhibitating, invigorating and strengthening to the vital powers, and at the same time revivifies, rein states, and renews the Blood in all its purity, and stomach, and tone up the digestive organs, and thus aliay all nervous and other irritation. It is perfectly exhilarating, and at the same time it is composed entirely of vegetables, yet so combined as to produce the most thorough tonic effect, without producing any injurious consequences. Such a remedy has long been feit to be a desideratum in the medical world, for it needs no medical skill to see that desidity follows all attacks of disease, and processes and indeed lays the system open to the losidious attacks of many of the most fatal, such, for example, as the following: Consumption, Indigestion, Dyspepela, Less of Appetite, Faintness, Nervous Irritability, Neuralgis, Paipitation the Heart, Melancholy, Night iswests, Langaur, Giddicess, Betention of, as well as Paintul obstructed too profuse, or too soant Menstruction, and Failing of the Womb. These all depend upon general debility. This pure, healthy, tonic Cordal and Slood Renovator is as some to cure as the sun to rise and set. There is no mistake about it. But this is not all.
